The Bay Area Photographers Collective is a non-profit, membership organization committed to building a dynamic community of photographers. Our work ranges from fine art to documentary, color to black and white, traditional darkroom to digital imaging. We nurture each other's professional and artistic growth through member activities such as artist talks, portfolio reviews, workshops, salons, and exhibitions.

Please visit www.bapc.info to view the members' gallery, to get more information about upcoming activities and to find out how to join.
